Emotional Intelligence Inventory

EQi 2.0 Model & EQ360

The EQ-i 2.0 is one of the most scientifically validated Emotional Intelligence instruments on the market today. The five Composite Scales and fifteen Subscales predict with amazing accuracy what behaviours a person is most likely to exhibit and to pinpoint the motivations behind the behaviour.

Duration:

This is a 2 day blended approach programme. In addition to the interactive in-class learning there will be pre-course work which includes an EQi assessment with 3 online modules to complete and your personal feedback session with the Programme Director. Upon completing the programme, there is an online exam to finalise your certification and access to your own virtual private portal!

Designed for:

HR Professionals and Line Managers who seek effective solutions to address development within their organisations.
