The FIRO-Business®

Accreditation

For more than 50 years, the FIRO-B instrument has helped people around the world understand their need for inclusion, control, and affection and how it can shape their interactions with others at work or in their personal life.

Duration:

This is a 2 day course which includes presentations and key readings as well as theory, real-life examples and activities. Participants will also get a chance to use the tool and provide feedback on each others' profiles. At the end of the course there is a short multiple choice exam which, along with successfully completing a Firo-B feedback, will enable participants to obtain the qualification.

Designed for:

HR Professionals and Line Managers who seek effective solutions to address individual and team development within their organisations.

Objectives:

- Achieve proficiency in administering, interpreting and feeding back the FIRO-B instrument.
- Learn how to utilise the FIRO-B instrument in One-on-One coaching; Team-building initiatives, Communication workshops and Leadership development activities.
